Cookie & Treat Selection — Extra List

Extra room for all the recipes you are considering.

MY RECIPE SHORTLIST

Recipe / treat	Type	Make ahead?	Effort

Tip: Mark decorated or more involved recipes so you can balance them with easier treats.

Cookie Quantity & Batch Planner — Extra

Keep adding recipes without repeating the calculation instructions.

MY BATCH CALCULATIONS

Recipe / treat	Needed	Yield / batch	Calculation	Batches

Include extras for taste-testing, breakage, or treats you want to keep at home.

Cookie Box Assortments — Extra

Plan additional box varieties or recipients with different assortments.

BOX ASSORTMENT 1

Box type / recipient: _____ Number of boxes: _____

Treat / recipe	Pieces or portions per box

BOX ASSORTMENT 2

Box type / recipient: _____ Number of boxes: _____

Treat / recipe	Pieces or portions per box

Keep crisp and soft treats separate when needed; account for box size and delicate items.

Recipe Requirements Tracker

Read each full recipe before you schedule your mixing, baking, and packaging.

_____

TIP Include brown-butter cooling, overnight resting, icing setting, and final oven steps.

Shopping List - Extra

Print another page for large batches or separate shopping trips.

Shopping date: _____ Store / stops: _____

Ingredient / supply	Total needed	Have	Buy

Use one line per ingredient; combine amounts across recipes before shopping.

Dough & Container Labels

Cut out labels for prepared doughs, freezer bags, and storage boxes.

Print on regular paper and attach with tape, or use compatible label paper.
